Business Description:

Ultra Scalp Micropigmentation new location in downtown Tampa now open . We create the look of a full hairline, simulate more density using Scalp Micropigmentation (Cosmetic Hair Tattoo). Scalp Micropigmentation can restore a receding hairline by creating the look of a full close cut head of hair. Scalp Micropigmentation Tampa can also add density to thinning hair. This can literally take years off of someone’s appearance and help boost their confidence. Visit our website or call to book a free consultation. We offer Scalp Micropigmentation at 3 locations in Tampa, Lutz, and Spring Hill"
